

MARIJUANA VENTURE

AWARD-WINNING NATIONAL CANNABIS BUSINESS MAGAZINE

2017

Media Kit

Philosophy

MARIJUANA VENTURE is America's leading business marijuana magazine.

Marijuana Venture is the largest business magazine for the legal cannabis industry. The magazine launched in March 2014 and has grown rapidly. In December 2015, at a ceremony in New York, Marijuana Venture was honored as one of the fastest growing magazines in America by the magazine industry. Marijuana Venture prints 30,000+ magazines each month, with about 15,000 sent directly to business owners. It is available in every major bookstore chain in North America.

Marijuana Venture has a team of attorneys, accountants, agricultural experts and other business professionals who lend their expertise and provide readers with the best information possible in the ever-changing world of legalized cannabis. Our goal is to help business owners operate efficiently, profitably and in full compliance with state regulations.

Much has changed since 2012 when Colorado and Washington legalized recreational marijuana. Other states have since followed suit. Marijuana Venture will continue to be the most trusted source for business information in the cannabis industry.

Unlike many marijuana magazines, Marijuana Venture does not publish advertisements or stories using the style of "Bongs & Thongs."

All Marijuana Venture content is geared toward business professionals in the legal cannabis industry.

What our advertisers say

“Historically our ROI from print advertising has been less than favorable but because of the nice lead generation rate we are experiencing from Marijuana Venture, we have changed our advertising strategy and will continue to take advantage of this excellent brand-building opportunity.”

— *Jimmy Lee, VP Sales, KES Science (AiroCide), Atlanta GA*

“We advertised with Marijuana Venture since their inception, and we chose a winner! The landscape for marijuana advertising is now a ‘minefield’ of advertising start-ups that makes your head spin (not in the good way). Marijuana Venture is #1 in quality and distribution. We will stay with them.”

— *Will Smith, CEO, Bud Bar Displays, Gold River CA*

“We read the magazine every month, and love the content. We also advertise and will continue to do so. It’s the most effective way to get our brand out there.”

— *Scott Griffin, CEO, Clarity Farms, Othello WA*

“Marijuana Venture Magazine is a marketing tool that has helped us gain leads in a market we couldn’t reach directly. They work with you to determine which ad is most effective and will even team up with you at tradeshows. Aaron is a great partner to advertise with, helping you optimize many advertising opportunities.”

— *Felecia Sparkman, Marketing Specialist, Americover, Escondido CA*

“Marijuana Venture magazine is THE top-tier Cannabis professionals periodical, with relevant, well-written stories – and its readers are precisely those we want our ad dollars to reach.”

— *Doug Banfelder, Nine Point Strategies, San Carlos CA*

“We’ve been with Marijuana Venture since the first edition and it’s been, and still is, a very effective marketing tool for us.”

— *Arnold Heckman, CEO, Cannaline, Elkridge MD*

Advisory panel

DAVID KERR serves business clients throughout Washington, including an emphasis on the emerging legal, regulatory and compliance issues facing new cannabis businesses. He can be reached at david@dkerrlaw.com.

DR. RACHEL KNOX is the co-founder and consulting physician at The American Cannabinoid Clinics in Oregon. Knox received her medical and business degrees from Tufts University after completing undergraduate work at Duke. She is a cannabis specialist who believes in using lifestyle as medicine to treat and prevent disease. Knox is a member of the Minority Cannabis Business Association.

CATHERINE MORISETT is an experienced litigator and partner in the Seattle office of Fisher & Phillips LLP, a national law firm committed to providing business solutions for employers' workplace legal problems. She counsels cannabis retailers, growers and other supporting industries with operations in California, Colorado, Oregon and Washington in all aspects of employment law. She can be reached at cmorisset@fisherphillips.com.

NADIA SABEAH, PH.D. also known as Dr. Greenhouse, specializes in agriculture heating and cooling system designs. She has a Ph.D. in agricultural and biosystems engineering from the University of Arizona and works as a licensed mechanical engineer in Sacramento, California, where she designs HVAC systems for controlled environment agriculture production facilities.

SUZANNE WAINWRIGHT-EVANS has been in the horticulture industry for more than 25 years, focusing on biological control and proper use of pesticides. She has worked throughout the U.S. and internationally as a consultant for greenhouses, nurseries and gardens. She is the owner of Buglady Consulting, now in business 15 years.

SCOTT WARNER provides guidance on intellectual property rights and represents a diverse array of clients at Garvey Schubert Barer Law Firm, including hospitals, software, hardware and video game companies and more. He was once named "Washington's Most Amazing Lawyer" by Washington CEO Magazine.

BRENDA WELLS, PH.D. is the Robert F. Bird Distinguished Scholar of Risk and Insurance at East Carolina University. During her career she has taught insurance courses that include commercial liability, commercial property and insurer operations, and has published articles on the risk management implications of cannabis legalization. She can be contacted at brenda@riskedstrategies.com.
